

Torsa[•]

instruction manual
(high) dining table 264 x 118

Manutti[•]

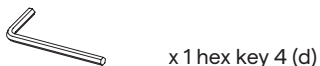

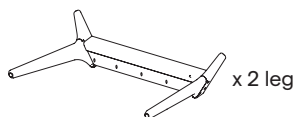

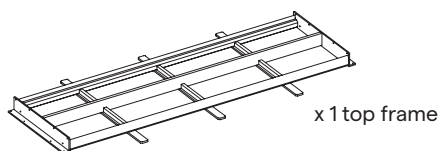

Torsa[®]

Torsa is the epitome of sophistication: slender and light. The sculpted wooden base is combined with a table top made of faux marble or monochrome ceramic. A relaxing coffee break, a festive banquet or jolly aperitif: Torsa turns any occasion into a moment to remember. Thanks to its understated size, Torsa is apt for small or large spaces and is multi-functional.

Here is how to start your outdoor moments of peace and connection under the sun.

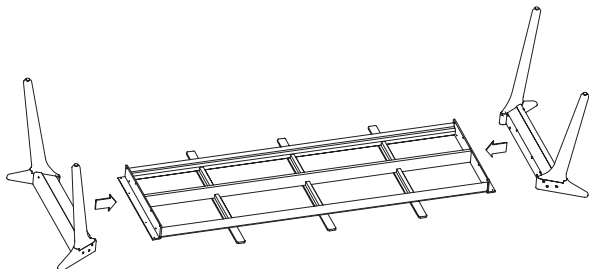

How to assemble the support

Parts

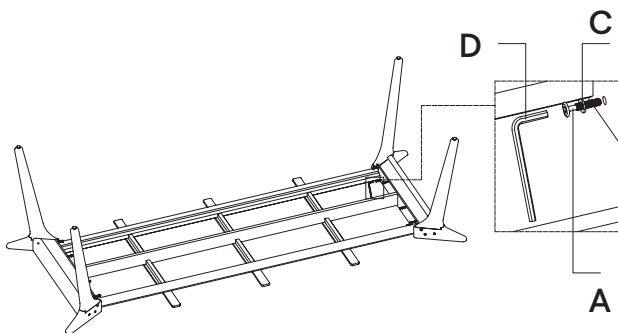

Installation

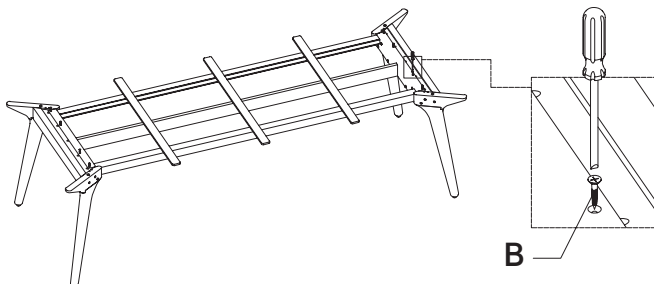

Before assembly, make sure to cover the floor to prevent damage to the table support. Place the legs on the L-shape of the metal frame.

Fasten the legs using the hex key, the KD bolts and the washers.

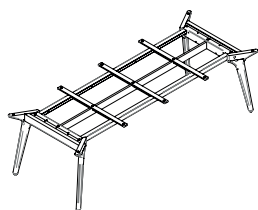

Turn the table and fasten the legs on the top side of the metal frame using the Phillips screws and screwdriver (not provided).

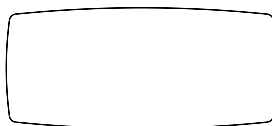

How to assemble the table top

Parts

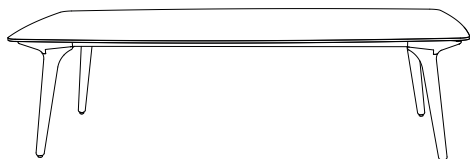

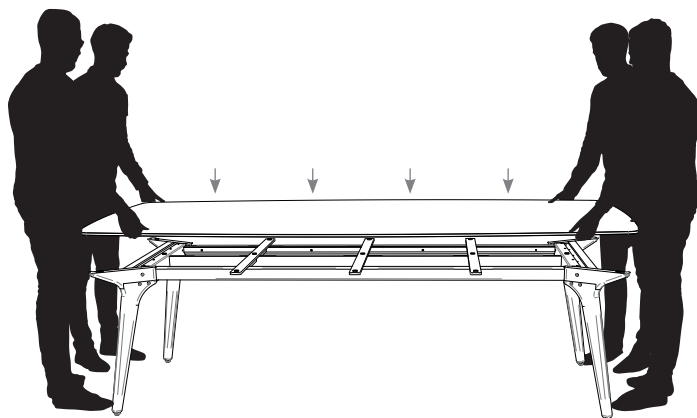

x 1 support

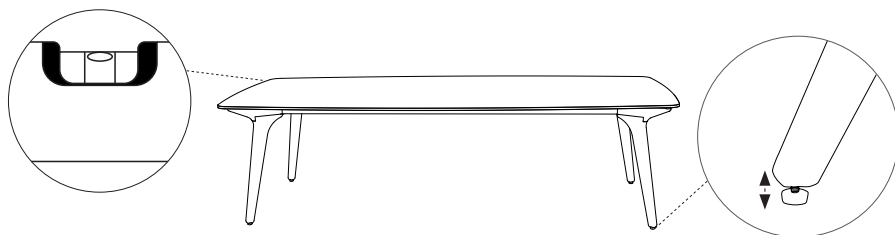

x 1 table top

Installation

Place the table top on the support with at least 4 persons.

Adjust feet.

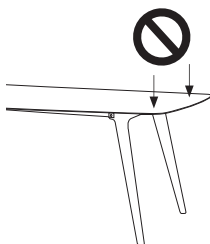

Check with a spirit level if your table is level. If not, you can level the table by (un)screwing the adjustable feetcaps.

Safety

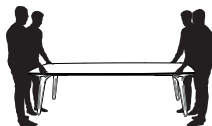

WARNING:

Do not use a high pressure cleaner to clean your furniture base.
This may damage your furniture.

IMPORTANT:

Do not sit or lean on the edges of the table!

IMPORTANT:

Lift the table with at least 4 persons. Tables need to be kept horizontal while lifted. Do not drag the table across the floor.
