

Torsa[•]

instruction manual
(high) dining table Ø80 cm

Manutti[•]

Torsa[®]

Torsa is the epitome of sophistication: slender and light. The sculpted wooden base is combined with a table top made of faux marble or monochrome ceramic. A relaxing coffee break, a festive banquet or jolly aperitif: Torsa turns any occasion into a moment to remember. Thanks to its understated size, Torsa is apt for small or large spaces and is multi-functional.

Here is how to start your outdoor moments of peace and connection under the sun.

How to assemble the support

Parts

x 1 top frame

x 3 leg

x 3 KD bolt M6 x 90 mm (a)

x 3 KD bolt M6 x 125 mm (b)

x 1 hex key 5 (d)

x 6 washer Ø20 x 2 (c)

Installation

Before assembly, make sure to cover the floor to prevent damage to the table support. Insert the legs of the table in the provided recess. Match the number on the leg with the number on the support.

Fasten the legs using the hex key, the KD bolts and the washers.

How to assemble the table top

Parts

x 1 support

x 1 table top

x 3 washer

x 3 bolt M5

Installation

Place the support onto the table top. Make sure to match the pre-made holes of the support with the provided recess in the table top.

Fixate

Adjust feet

Check with a spirit level if your table is level. If not, you can level the table by (un)screwing the adjustable footcaps.

Safety

WARNING:

Do not use a high pressure cleaner to clean your furniture base. This may damage your furniture.

IMPORTANT:

Do not sit or lean on the edges of the table!

IMPORTANT:

Lift the table with at least 4 persons. Tables need to be kept horizontal while lifted. Do not drag the table across the floor.
