

Siena'

instruction manual
teak towel rack

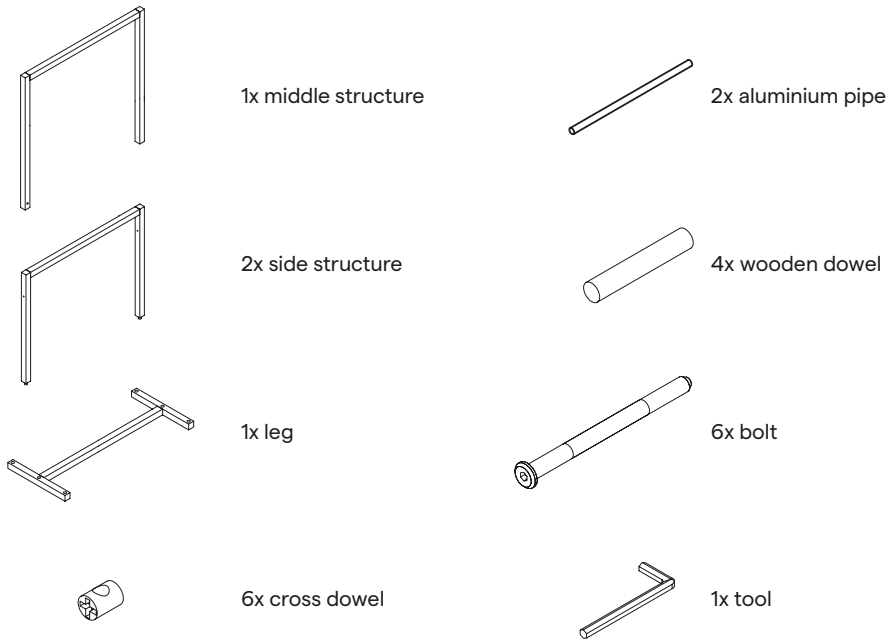

Siena[®]

A stylish fusion of delightful architectural lines and the warm charm of resilient wood, that's how the Siena collection can best be described. The solid teak wooden frames of the collection's cushion box, chairs, tables and towel rack brave any weather conditions, hot or cold, wet or dry. For a lounge experience beyond your wildest dreams, Siena is guaranteed to please. In the cooling shade or under a radiant sun, lie back and surrender to its sweet embrace.

Here is how to start your outdoor moments of peace and connection under the sun.

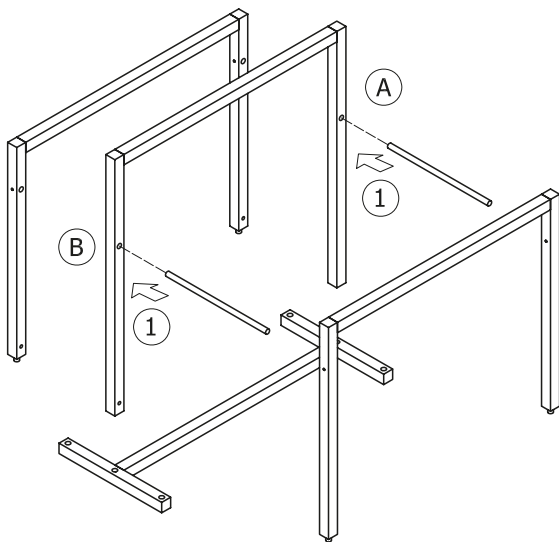

How to assemble the towel rack

Parts

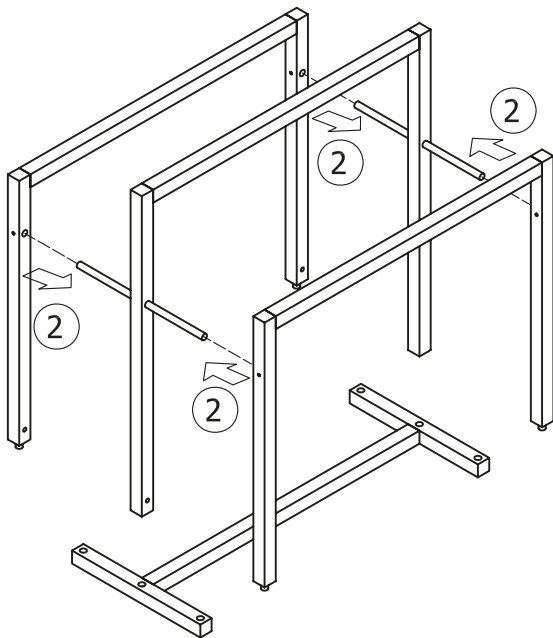

Installation

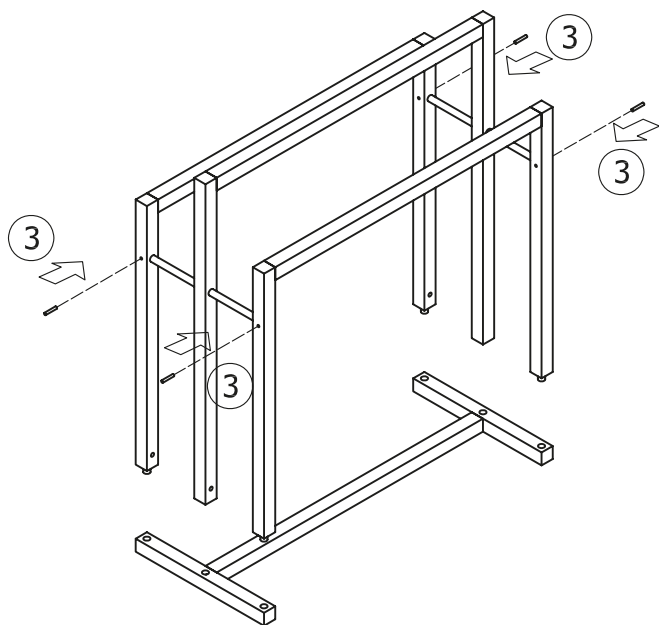

1. Slide in the aluminium pipe inside the hole of the middle structure - both side A & B.

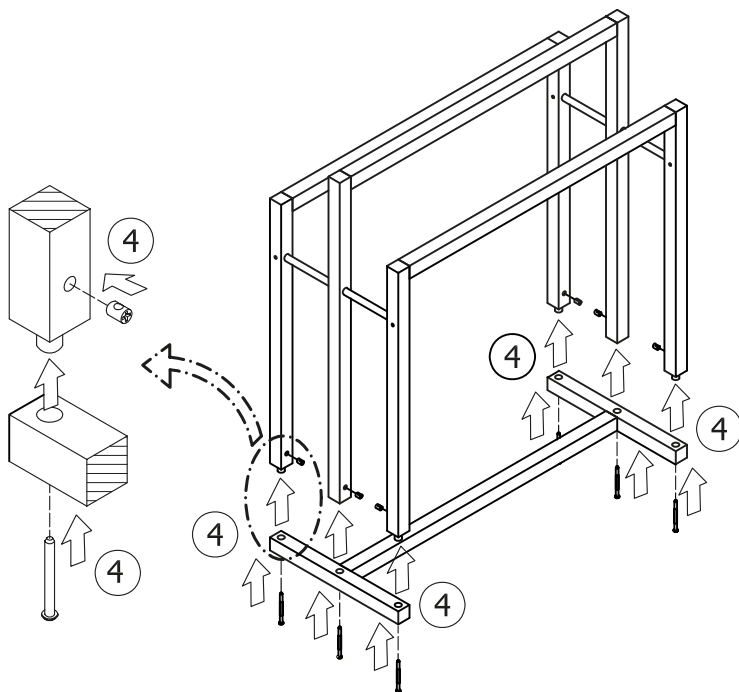

2. Position the side structures in order for the pipes to slide in teh holes of side structures.

3. Rotate the pipes to reach position for wooden dowel to be fixed. Fix in the wooden dowel.

4. Adjust the position of the middle structure to be centered on the pipes. Place the assembled structure on the food and screw the six bolts with the six cross dowel on the structure.

Safety

WARNING:

Do not use a high pressure cleaner to clean your furniture base.
This may damage your furniture.
